Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Wednesday 24 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Drier and brighter on Wednesday, but patchy rain later.,.

Today:
Cloudy start with rain in places, but becoming brighter through the morning with some sunny spells developing, though a few showers over Argyll. Becoming cloudier in the afternoon with patchy rain spreading from south. Fresh southwest winds easing. Mild. Maximum temperature 12 deg C (54 deg F).

Tonight:
Cloudy with patchy rain at first but becoming dry through the evening with clear spells developing. Cloudier later in night with showers over Argyll and the Isles. Southwest winds freshening. Minimum temperature 5 deg C (41 deg F).

Thursday:
Bright or sunny spells but rather cloudy with some showers, though most of these will be over Argyll and the west. Fresh southwest winds turning westerly. Still mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Cloudy start Friday with some rain, but dry and bright in afternoon. Some rain overnight, then dry with sunny spells over weekend, but cloudier Sunday. Generally mild, but chilly nights.
